R E M A R K S

The present application is a Continuation of application Serial No. 10/303,423, which was filed November 25, 2002. The specification of the present application is the same as the specification of parent application Serial No. 10/303,423 except for page 1 which has been amended to indicate that the present application is a Continuation of application Serial Number 10/303,423 and also to update the other cross-reference information.

INFORMATION DISCLOSURE STATEMENT

Submitted herewith is a Form PTO/SB/08A listing the particulars of the documents cited by the Applicant and by the Examiner in parent application Serial No. 10/303,423, and which were made "of record" in said parent application.

Copies of the publications listed on the attached Form PTO/SB/08A are not supplied herewith, as per 37 CFR 1.98(d), which was effective March 16, 1992. Copies of publications listed in an Information Disclosure Statement are not required to be provided if the information was cited or submitted in a prior application. The present application properly identifies prior parent application Serial No. 10/303,423, filed November 25, 2002, and relies upon said prior parent application for an earlier filing date under 35 USC 120.

It is respectfully requested that the Examiner consider the publications identified on the attached Form PTO/SB/08A submitted herewith and make them of record, as in the parent application.

It is further requested that the Examiner return an initialed copy of the attached Form PTO/SB/08A to confirm that all of the publications listed therein have been made of record.

The references cited in the parent application are all relevant since they are "of record" in the parent application of which the present application is a Continuation.
